

SafeAssured ID program designed to help track missing seniors

RACINE -

Home Instead Senior Care and SafeAssured Identification Solutions are partnering to bring Racine County families the most complete senior identification solution available to aid in the search for a missing senior.

Home Instead Senior Care, provider of non medical assistance to seniors, in partnership with the Volunteer Center of Racine, is hosting an enrollment event from 9:30 a.m. to 2 p.m. Tuesday and Wednesday in the former Floortech retail space at Elmwood Plaza, 3701 Durand Ave.

When a senior is reported missing, minutes matter. Time is the enemy when it comes to recovering a missing senior. A critical element to the first few hours of an investigation is for law enforcement to have a good quality, current photograph of the missing person. The Volunteer Center of Racine County urges seniors and guardians to maintain easily accessible, good-quality photographs of their loved ones. SafeAssured helps them accomplish this.

The SafeAssured Solution provides families with an added sense of security and peace of mind.

A mini-CD captures physical characteristics and video footage that can be provided to law enforcement within moments of disappearance.

There is no charge for the first 150 people to attend. After that, there is a \$15 fee.

To enroll in the SafeAssured ID program in the area, call the Volunteer Center of Racine at (262) 886-9612. For detailed product information, send an e-mail to
